

Singapore Scout Association Annual Report 2010

100 years of Scouting | The Adventure Continues

A big thank you

to the Singapore Scout Association for
your support at Chingay 2010

Thirty-three scouts from Siglap Secondary School volunteered their time to pack goodie bags for the Tote Board sector.

Scout teams from YangZheng Primary School welcomed the Tote Board Family Float with Chingay audiences.

Tote Board and Singapore Pools are principal founding sponsors of the Chingay Parade. In 2010, the Tote Board Family Float, "Wall of Strength", celebrated the strength and resilience of the various beneficiaries of the Tote Board Family.

Together with award winning Wushu exponents and a 30-member strong percussion troupe, the Tote Board Family Float was an exciting interplay of martial arts, colours, rhythm and celebration.

THE SINGAPORE SCOUT ASSOCIATION

CHIEF SCOUT

His Excellency Mr. S R Nathan

The President of the Republic of Singapore

THE SINGAPORE SCOUT ASSOCIATION

The Singapore Scout Association, formerly known as the Boy Scouts Association, was constituted under the powers granted by the Royal Charter issued under the hand of King George V dated 4th January 1912, and the Boy Scouts Association Act (Cap 26 Singapore Statue, 1985 Revised Edition) having the force of law in Singapore. It is registered (No. 0196) as a Charity under the Charities Act, 1982 with effect from 29th June 1985. Singapore Scout Association is also an Institution of Public Character (IPC 000407) with effect from Aug 2010.

The Mission of Scouting

The mission of Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law, to help build a better world where people are self-fulfilled as individuals and play a constructive role in society.

The Scout Promise

On my honour I promise that I will do my best
To do my duty to God and the Republic of Singapore
To help other people and
To keep the Scout Law

The Scout Law

A Scout is to be trusted
A Scout is loyal
A Scout makes friends, establishes and maintains harmonious relations
A Scout is disciplined and considerate
A Scout has courage in all difficulties

“Be Prepared” – The Scout Motto

“Be Prepared... the meaning of the motto is that a scout must prepare himself by previous thinking out and practicing how to act on any accident or emergency so that he is never taken by surprise. ”

– Lord Baden-Powell of Gilwell

PRESIDENT'S MESSAGE

Mr Noel Hon Chia Chun
JP, BBM (L), BBM

President
Singapore Scout Association

The Singapore Scout Association celebrated 100 years of Scouting in Singapore in 2010. In the best traditions of Scouting, SSA focused on the Scouting Method and Duty to God, Country, Others and Self. The past year was indeed a busy year and the Singapore Scout Association successfully organised various events and programmes to commemorate our 100th Anniversary.

Our celebrations began with the Centennial Dinner in which Senior Minister Goh Chok Tong, a prominent scout leader during his school days, honoured us by gracing the occasion as our Guest-of-Honour on 27 February 2010. More than 1,000 scouts, spanning the generations, attended the dinner. It was indeed a great opportunity to meet old patrol and troop mates and to re-establish scouting friendships lost over the years. The Singapore Scout Association was given the rare honour of naming an orchid to mark our 100th anniversary at the dinner. SM Goh unveiled the orchid named "Dendrobium, Singapore Scouts".

The second event was the staging of the Centennial Scout Rally at Hwa Chong Institution on May 22, 2010. Over 5000 scouts and their family members attended the rally. Deputy Prime Minister Teo Chee Hean graced the occasion as our Guest-of-Honour. The Rally was co-hosted by the Hwa Chong Scout Guild Chapter and SSA. One of the highlights of the Rally was the launching of the "Scout's Knot" to remind scouts of their responsibility to do a "good turn a day".

The official launching of the Scout Discovery Centre by Dr Vivian Balakrishnan, Minister for Community Development, Youth and Sports was held on 4 September. Hailed as the first of its kind in Asia Pacific Region (APR), the Centre boasts exhibits and artifacts dating back to the days of the inception of the movement. It is supported under the National Heritage Board's Heritage Industry Incentive Programme (Hi2P). This Centre will form the basis of permanent scouting displays and exhibits and I am confident that the number of exhibits will grow over the years when scouts contribute their precious mementos to be shared by all. This centre was made possible by a substantial donation from the Lo Foundation and I would like to record our thanks to the Foundation for their generosity.

As part of the Centennial celebrations, SSA commissioned a book titled "100 Years of Adventure". This was officially launched by our Chief Scout, HE President SR Nathan, on 20 September at the Istana. This commemorative book is a pictorial account of the activities of the Scout Movement in Singapore over the years. The Book was designed to generate maximum visual impact, while capturing as comprehensively as possible, 100 years of scouting activities. Photographs, some dating to the early 1900s, have been extensively used in the Centennial Book. This publication is supported by the National Heritage Board.

The finale of the Centennial Celebrations was our National Jamboree, Jamb 100. This was held in conjunction with the third ASEAN Jamboree. Jamb 100 attracted over 2,300 participants from Singapore and overseas. In particular, we had strong representation from National Scout Organizations from ASEAN. Besides the usual scouts, members of other unformed groups also participated in the jamboree, making it a truly national youth event. Some 7,000 family members and friends of scouts, including visitors from foreign NSOs, thronged the campsites during the Opening Ceremony.

Our Guest-of-Honour, Chief Scout President SR Nathan kindly officiated at the Opening Ceremony on Sunday 5th December 2010 at our Sarimbun Scout Camp.

In keeping with tradition, an International Night and a Closing Ceremony were also staged. Our Guest-of-Honours at the other two events are:

- a) International Night, Assoc Prof Koo Tsai Kee Minister of State (Defence) on Tuesday 7th December 2010.
- b) Closing ceremony graced by Dr. Ng Eng Hen, Minister for Education on Wednesday 8th December 2010. Dr. Ng gave a moving and inspiring speech at the Closing Ceremony.

As it was also the 3rd ASEAN Jamboree, I am glad to note that over 900 participants from 8 NSOs within ASEAN actively participated in the jamboree. Another 62 participants hailed from APR region and beyond. Apart from promoting the spirit of scouting, Jam 100's other objectives are to promote an ASEAN identity, environmental sustainability, and the building of a caring society. This is consistent with the global dimensions of scouting. The jamboree helped to promote a culture of peace and developed harmonious relations among people across national boundaries.

While building up the movement over the last 100 years has been challenging, it will be even more challenging for the Scout Movement to remain relevant to our youth in our rapidly changing society and to continue to attract new and more members from our community.

The SSA will need to continue to reinvent itself in order to strive towards our vision of being a relevant and contributing, uniformed organization.

Indeed the success of SSA depends on our volunteers who saw the Movement through many turbulent times in its 100-year history. I would like to commend our Volunteers (Scout Council Members, Commissioners, Scout Guild Members and Adult Leaders) who have made selfless sacrifices and commitment and, who remained with the movement through "thick and thin". The success of Scouting in Singapore is indeed your success.

To our donors, sponsors, partners and well wishers, I would like to express our deep gratitude for all their support, blessings and generosity.

Let us continue to work together as a team and leave this world a little better than when we found it.

So "Be Prepared" for the adventure continues for another 100 years and beyond.

"So "Be Prepared" for the adventure continues for another 100 years and beyond."

CHIEF COMMISSIONER'S MESSAGE

Mr Tan Cheng Kiong

Chief Commissioner
The Singapore Scout Association

Dear Fellow Scouts,

Last year we celebrated 100 years of Scouting in Singapore. We had an exhilarating time, with a range of exciting events and activities culminating in an international jamboree which saw a record number of participants in the 6-day event.

A 100th year birthday is a good time for reminiscence, but it must also be a time for looking ahead. In order to continue the adventure for the next hundred years, we need to innovate and make Scouting relevant and interesting to the current generation of youths.

2011 is the first of the next 100 years. Standing on what had been achieved, it is time for us to look forward to greater heights for the movement. We must plan strategically to position ourselves as a premier youth movement that meets the needs of young people as well as the local and international community. The Ministry of Education has great plans to change the educational landscape and help the students do better not only academically, but also socially and emotionally, as well as to be able to achieve success in life through different paths and avenues. As a youth movement offering non-formal education, we must complement the formal education provided by the schools, and find niche areas for ourselves, move with the times and stay attractive and relevant. To do this, we must identify the areas where we are in a position to contribute to the development of young people better than the formal school structure and classrooms.

The vision for the future must come from the young people. The adults are there to provide the guidance that comes from experience and wisdom. I wish to hear from everyone of you how we can make scouting more relevant and interesting to you. I also want to know how we can attract others who are not scouts to join us. I also want more adults and parents to join hands with us to develop the next generation of leaders and responsible citizens.

In order to make The Singapore Scout Association a winning organization of significance that can make a positive and sustained impact on the community, I count on your whole-hearted support and commitment to put our act together and pull in the same direction. "Be Prepared" to go the extra mile, as we continue our adVenture for another 100 years and beyond.

"2011 is the first of the next 100 years. Standing on what had been achieved, it is time for us to look forward to greater heights for the movement!"

100TH ANNIVERSARY CELEBRATIONS

Centenary Celebrations

2010 marks the 100th anniversary of local Scouting movement. The following events were successfully staged as part of the centenary celebrations.

The Singapore Scout Association (SSA) 100th Anniversary Commemorative Stamp

On 26 January 2010, SingPost issued the SSA 100th Anniversary commemorative stamp together with three other organizations which also celebrated their anniversaries.

Centenary Dinner

The Singapore Scout Association kicked off the first event of celebration with a centenary dinner on 27th February at Suntec Convention Centre which attracted some 1,100 current and Former Scouts including members from APR Scout Committee. We are deeply honoured that SM Goh Chok Tong, one of the Singapore most prominent Scouts has kindly consented to grace the occasion as the Guest of Honour. One of the highlights of the dinner was naming of an orchid hybrid genus "Dendrobium, Singapore Scouts" Orchids embody virtues of elegance and beauty.

Scout Rally

Following the dinner was the staging of a more than 5,000 – strong Scout Rally. Officiated by DPM Teo Chee Hean, the rally was held at Hwa Chong Institution on 22th May. Co-hosted by Hwa Chong Scout Guild Chapter and The Singapore Scout Association.

Scout Discovery Centre

The third event was the official launching of the Scout Discovery Centre by Dr. Vivian Balakrishnan, Minister for Community Development, Youth and Sports on 4th September. Hailed as the first of its kind in Asia Pacific Region (APR), the Centre boasts of exhibits and artifacts dating back to the days of the inception of the Movement. It is supported under the National Heritage Board's Heritage Industry Incentive Programme (Hi2P) and Ministry of Education.

Commemorative Book

The commemorative book depicting a pictorial account of the local Scout Movement over the last 100 years was official launched by the Chief Scout, President SR Nathan on 20th September at the Istana.

The objectives of the Centennial Book are:

- To capture 100 years Singapore of Scouting through a pictorial account of selective past and present Scouting-related activities.
- To preserve the History of Scouting in Singapore as part of our national heritage.
- To contribute to the development of the sense of history, identity and belonging to Singapore as Scouting has been an integral part of her growth and development.

The Book has been designed to generate maximum visual impact. A collection of photos depicting Scouting activities over a century have been carefully selected for inclusion in the book.

The publication is also supported by the National Heritage Board's Heritage Industry Incentive Programme (Hi2P).

Jamb 100 cum 3rd ASEAN Jamboree (4th – 9th December)

The finale of a series of five events to commemorate 100th Anniversary of Scouting in Singapore, Jamb 100 cum 3rd ASEAN Jamboree attracted some 2,400 participants both local and overseas particularly from National Scout Organisations in the ASEAN region. Besides members of the Singapore Scout Association (SSA), members of some Unformed Groups were among the local participants. Some 1,000 family members and friends of Scouts including visitors from foreign NSOs thronged the campsites during the Opening Ceremony.

The ASEAN Jamboree is organised in rotation among ASEAN National Scout Organisations once in two years. Eight National Scout Organisations (NSO) under the ASEAN Grouping took part in the Jamboree, registering a total of some 950 participants.

Apart from promoting the spirit of Scouting fraternity, the key objectives are as follows:

- a) Promoting an ASEAN identity
- b) Promoting Environmental Sustainability
- c) Building a Community of Caring Societies

President SR Nathan, the Chief Scout graced the Opening Ceremony on Sunday 5th December. The VVIPs officiating at the other two events are:

- a) International Night officiated by Associate Prof Koo Tsai Kee Minister of State (Defence) on Tuesday 7th December.
- b) Closing ceremony graced by Dr. Ng Eng Hen, Minister for Education on Wednesday 8th December at 7.30 pm. Dr. Ng providing a moving and inspiring speech at the Closing Ceremony.

ADULT LEADERS' TRAINING

Unit Leader Training has been a pertinent component in the Scouting Movement. Through these training courses, all newly appointed leaders, consisting of school teachers and volunteers, are equipped with the knowledge, skills and attitudes required to perform the roles of unit leaders in their respective Scout groups, either in schools or open scout units.

Unit Leader Training Induction Courses (ULTIC)

This is a ½ day non residential course which is conducted normally on a Saturday. This course is compulsory and is a pre-requisite to all other courses. Participants were given an overview of the history of Scouting, its fundamental principal and purpose, its uniqueness, the National Scout Organization and Training Opportunities. Two intakes of the ULTIC were successfully conducted on 6th March and on 24th of July 2010.

Unit Leader Training Wood Badge Courses (ULTWBC)

The Unit Leader Training Wood Badge Course is a compulsory course for all Adult Leaders. This course facilitates the learning of Adult Leaders in acquiring the knowledge and skills in Leader Leadership, Scout Method and Scout Craft Competencies. The course was conducted on a modular cum residential system over a period of two months. The Leadership and Scout Method competencies were carried out over fifteen modules on weekday evenings or Saturday mornings whereas the Scout Craft Competencies module was covered over a 5-day residential camp. In this residential camp, Adult Leaders gained first-hand experiences through various activities and hands-on practices on scouting programs and methods. ULTWBC was successfully conducted in June for the year 2010.

Induction Courses For "Seniors In Scouting"

In collaboration with the Council For Third Age, Singapore Training Team conducted the Unit Leader Training Induction Course for senior volunteers under the "Golden Opportunities" programme since 2006. Two courses were conducted in the year 2010.

PROGRAMMES & EVENTS

Cub Scouts

'Live Positively' Water Badge

Dr Yacob Ibrahim, Minister for Environment and Water Resources, officially launched the Live Positively – Water Badge at the 2010 World Water Day in March.

On 3rd July 2010, the first Leaders' Workshop for the Live Positively – Water Badge was conducted for Cub Scout Leaders from 25 Cub Scout Packs. The workshop was organised by Mr Justin Ng, District Leader (Tampines) who aims to equip Cub Scout Leaders with the necessary resources to run the course for their Cub Scouts.

To date, more than 800 Cub Scouts have signed up and completed the requirements for this newly launched National Campaign Badge.

Through the support from PUB and Coca-Cola Singapore, The Singapore Scout Association aims to educate Cub Scouts on the importance of water saving habits.

NEA Presentation Ceremony

The Annual Public Health Award and Resource Conservation Award presentation ceremony was held in conjunction with the Schools Clean and Green Carnival held at Anchor Green Primary School on 11th November 2010.

This year, the Resource Conservation Award was presented to 28 Cubs from Yangzheng Primary School, 40 Cubs from Woodlands Ring Soaring Eagles, 26 Cubs from Yio Chu Kang Primary School.

The Public Health Award was presented to 24 Cubs from Yangzheng Primary School, 20 Cubs from Meridian Primary School and 26 Cubs from Yio Chu Kang Primary School.

The programme which The Singapore Scout Association runs in partnership with NEA aims to inculcate positive values in the students on the different public health and resource conservation topics through both the training and the projects in the workbooks.

The breakdown for each badge from individual schools are as follows:

Ai Tong School

Akela / Youth Helper Development Workshop

The Cub Scout Roundtable invited Mr Allan Lee, author of Propless Games and Prop-less Games to be the keynote speaker at this year's Akela / Youth Development Workshop. Mr Lee shared techniques in harnessing the benefits of interesting games and energizers to maximize learning amongst Cub Scouts at weekly Cub Scout meetings and camps.

A total of 30 Cub Scout Leaders and 37 Youth Helpers attended. The session was held on 13th November 2010 at Singapore Management University.

Each registered participant also received a copy of both books which will serve as a reminder and guide for all the games they will expect to conduct back in the packs they lead.

Day Adventurer @ Jamb100

The Cub Scout section is proud to be a part of Jamb100 by organizing the Day Adventurer Programme. Over 2,000 Day Adventurer tickets were snapped up by visitors on Sunday, 5th December 2010 from 9 am to 4 pm.

In addition to fun activities such as tile painting, clay modeling, balloon sculpturing and carnival games, Day Adventurers also got a chance to catch a glimpse of the Jamboree facilities and sub-camps as well as experience the atmosphere at the Jamboree.

One of the highlights of the Day Adventurer was the Eagle Eye Relay Challenge organised by Soaring Eagles Scout Group. This was a series of 5 relay games, each involving 40 different Cub Scout Day Adventurers vying for the top 3 team prizes.

Rover Scout

Launched of New Progress Scheme Badges

(14th August)

The new Rover Progress Scheme Badges were released during the Badge Patch Carnival on 14th August 2010. After close to four years of waiting, Chairperson of the National Rover Council, Oliver Lim presented the new and improved RPS and BPA badges to Mr Cheah Kok Meng, Guest of Honour at the carnival who declared the launch of the new badges.

The badges, initially designed by members of the Griffin Rover Crew back in 2007 went through a second round of improvement early in 2010 by members of the 3rd National Rover Council on the advice of Mr Koh Min Zhuan of the Scout Roundtable.

The 3rd National Rover Council also worked on the improvement of the original Baden Powell Award badge. The new badge consists of silver wordings and a gold olive branch. These represent the significance and prestige of the BPA and what it means to Rovers all over Singapore. A mini BPA for leaders was also produced.

National Rover Forum

(25th September)

The National Rover Forum was held at the Scout HQ. The guest speaker for this event is Mr Malcolm Tan, the National Programme Commissioner. More than 40 Ventures and Rovers participated. The topics for the forum were the Rover Progress Scheme, Rover uniform, Rover image and awareness, as well as Rover management.

Earth Hour Singapore 2010

Once again in 2010, The Singapore Scout Association became one of the supporting partners of WWF Singapore’s Earth Hour Concert at Esplanade Park on 27th March 2010. The Rover Scout provided the main manpower to run the Earth Hour Concert and to coordinate the most important segment of the night – the ‘Black-out’ of the city’s skyline.

Apart from the volunteers, the concert saw almost 500 Scouts of all ages, up from only 200 in 2009, joining in the celebrations of Earth Hour. The event definitely saw a higher attendance than the year before, a good sign that it’s reaching out to the people and more are aware of it.

Scouts Of The World Award

6th SWA Discovery Workshop

(30th April - 2nd May)

The 6th Scout of the World Discovery workshop was held at the Sarimbun Scout Camp, Singapore. A total of 17 local participants attended the workshop.

As part of the workshop, the participants visited the Raffles Museum of Biodiversity Research (RMBR).

With a new partnership, the participants had the rare opportunity of visiting the St John's Island for an intertidal walk and toured around the facilities of the Tropical Marine Science Institute (TMSI). TMSI is an institution whereby research, development and consultancy are done in the name of marine and environmental science.

The Scouts of the World Award (SWA) is an international award recognized all over the world. First started in Singapore in 2006, the programme has been very successful, gaining much recognition especially in the Asia-Pacific Region. The award consists of two components: Discovery and Voluntary Service.

4th SWA Voluntary Service Project

Turtle Conservation @ Underwater World, Sentosa

(26th June - 10th July)

9 Scouts from Singapore embarked on Project Orion II. Spanning a total of 15 days, the project was the second in the Orion-series of the Scouts of the World Award (SWA) Voluntary Service Projects organised by the Singapore Scout Association.

Based on the framework and guidelines of the SWA, Project Orion II is a two-week Youth Expedition Project supported by the National Youth Council, Singapore. Planned and organised by the team, which consists of both Venture and Rover Scouts, in collaboration with the World Wide Fund for Nature (WWF) Malaysia, the project aims to promote both turtle and terrapin conservation in Setiu, Terengganu, and make a difference to the development of the nearby village, Kampung Mangkok.

Besides, the team made it a point not to neglect the human aspect and the local community: factors that are often so necessary for any conservation effort to succeed. Many morning and afternoon were spent repainting the houses in the village. Additionally, the team also participated in awareness-raising and interaction activities with the local school children and Scouts, and also engaged in English Language classes for the children at night. Lastly, much to the local women's delight, the team also helped to refurbish the clubhouse of the local women's group, PEWANIS, and also provided the house with a nice new coat of paint.

Project Orion II – Rovering with Turtles was led by SWA Advisor Tan Sijie, Team Leader Jia Wei and 7 Rovers. (<http://projectorion-2010.blogspot.com>).

In collaboration with WWF Malaysia, the team was involved in sea turtle and nature conservation, including hatchery work, beach patrolling and mangrove reforestation in Setiu, Terengganu. Apart from the conservation work, the team also assisted the village in improving their life by helping two households in need identified by WWF Malaysia.

(21st December)

As part of its efforts to raise funds for the Singapore Scout Association (SSA), the Scout Guild organized a Charity Premiere film show – Gulliver's Travel at the Grand Cathay Cineplex on 21st December 2010 at 7pm. The Charity Premiere was strongly supported by StarHub Ltd which bought all the 294 seats in Hall 2. The total net fund raised was \$23,788.05

Fellowship Lunches

As with previous years, Scout Guild members organized Fellowship Lunches periodically to foster bonding and fellowship among members.

MEMBERSHIP GROWTH

The Membership Growth Task Force comprises

Chairman	ACC Jeffrey Ho
Vice Chairman	ACC Tan Tek Tin
Members	ACC Steven Ang ACC Chow Hock Lin ACC Noraini Representatives from Areas, Programme Council and Training Council

The broad strategy includes planting new units, supporting new and existing units, attracting and recruiting adults and expanding youth membership.

Asia Pacific Regional Workshop on Membership Growth

The following members of SSA attended the workshop which was held in Johor Bahru, West Malaysia, from 20 – 23 May 2010:

ACC Jeffrey Ho	APR MG Vice Chairman and Seminar Speaker
ACC Malcolm Tan	APR Programme Sub Committee Member
ACC Tan Tek Tin	ACC (MG)
ACC Steven Ang	ACC (MG)
ACC Ho Chee Heng	ACC (East Area)
Wan Meng Hao	Adult Member
Oliver Lim	Rover Scout

During the workshop ACC Jeffrey Ho presented a paper on Membership Growth Strategy while ACC Tan Tek Tin reported on SSA's membership development. The ideas gathered would be useful in developing our own membership growth strategy.

District Commissioners' Executive Seminar

The Task Force organised the seminar for District Commissioners on 3 July 2010. The aim of the seminar was to provide an avenue for DCs to share and exchange ideas and views on membership growth.

A seminar for Adult Leaders will be held in 2011.

SENIORS IN SCOUTING

Since its inception in December 2006, the Seniors-in-Scouting has grown from strength to strength. Another 51 Seniors were inducted in 2010 through the three induction courses conducted at Headquarters on 6 March; 8 May and 2 October.

As at 31 December 2010, a total of 379 seniors had been trained as Scout leader. The current membership stands at 118. Members continue to play an active part in various programmes

aimed at promoting active ageing, life-long learning and senior volunteering. The programme has contributed to one of the strategic moves of SSA to promote community scouting by reaching out to seniors and retirees besides establishing more open groups outside the school-based system. Mr. & Mrs. Cheng Sai, two of the very active SISs are now leading an open group (Colugo Scout Group) based at Thomson Community Centre.

SIS members shared many common active ageing activities. They come together regularly for Ukulele practices. Led by Mr. Roney Tan, the Honorary Treasurer and ably assisted by Mr. Peter Chan, a Management Committee Member, the Ukulele Team continued to be sought after by government and various civic organisations to grace their formal occasions including the opening of LTA's Circle Line on 4 April, C3A's Civic Active Ageing Carnival on 3 April, RSVP's Intergeneration Walk on 30 May and IMH Concert on 15 July. The Team has indeed helped to project the corporate image of SSA and promote the SIS.

Instructed by Mrs. Margaret Anderson, one of the long-time dedicated and committed Leaders, some 15 Seniors have been learning the art of line dancing conducted at SSA. The interest group meet together fortnightly since August 2010.

In addition, SIS participated in the following activities during the year:

24 February:

Six SIS members participated in C3A's seminar on "Intergenerational Solidarity in Ageing Societies"

9 July:

A Get-Together was held at SSA to foster camaraderie

28 August:

Together with the Scout Guild, SIS members hiked up Bukit Timah.

14 November:

Members participated in the Health Walk at Yio Chu Kang Stadium during the launch of Diabetes Awareness Week.

The Steering Committee spent a good part of 2010 to prepare for the inauguration of the Seniors-in-Scouting. Accordingly, the By-Laws were drawn up, tabled and adopted at the Inaugural General Meeting held on 20 November at SSA.

The following SIS members were elected into the 1st Management Committee to serve a two-year term:

Mr Lam Peck Heng	Dy Chairman
Mrs Kathleen Tan	Hon Secretary
Mr Roney Tan	Hon Treasurer
Mr Peter Chan	Committee Member
Mr Foo Seck Tong	Committee Member
Mrs Lilian Kang	Committee Member
Ms Ann Woodford	Committee Member
Mr N Francis	Committee Member
Mr Paul Gomez	Committee Member.

In accordance with the provision of the By-Laws, the Chief Commissioner, appointed Hon Commissioner, Mr Peter Joe Chia to be the Chairman of the 1st Management Committee.

Besides supporting the Scout Council, Commissioners Council and Volunteer leaders in their roles, staff had been instrumental in improving HQ facilities. The following had been successfully achieved to better serve our members:

- Enhanced the computerized membership service data management system (MSDS) with an additional module (importing of data to excel) to reduce the workload of leaders in the registration courses.
- An updated DVD for recruitment and containing relevant resource materials was produced to support Unit Leaders.
- Enhanced the physical layout of the Scout Den and meeting rooms.
- Established the Scout Discovery Centre
- Reorganised the layout of the Scout Shop to facilitate smooth operations.

Policy relating to the management and avoidance of conflicts of interest.

As an institution of a public character (IPC), the following policy has been incorporated in the Association's POR, which is on our website.

- All council members, volunteers and staff shall avoid situations where personal interest or the interest of the family is in conflict with the interest of the Singapore Scout Association (SSA) or where it could affect the ability to make decisions that are in the best interest of SSA.
- They should declare their interest to the Scout Council if they are considering entering into a business dealing with SSA.
- In such case, they shall abstain from discussion and not be part of the decision making process on such dealing.
- They should not either directly or indirectly make use of any SSA information or his position to further their personal interest.
- The Audited Financial Statement of Account and the Annual Report are posted on our website.

INDEPENDENT AUDITORS' REPORT

to the members of

THE SINGAPORE SCOUT ASSOCIATION

Report on the Financial Statements

We have audited the accompanying financial statements of The Singapore Scout Association ("Association") which comprise the statement of financial position as at 31 December 2010, and the statement of financial activities and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Scout Council's Responsibility for the Financial Statements

The Association's Council is responsible for the preparation of financial statements that give a true and fair view in accordance with the Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair statement of financial activities and statement of financial position and to maintain accountability of assets.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT
to the members of
THE SINGAPORE SCOUT ASSOCIATION

Report on the Financial Statements (continued)

Opinion

In our opinion, the financial statements are properly drawn up in accordance with the Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Association as at 31 December 2010 and of the results of its activities and cash flows of the Association for the financial year then ended on that date.

Report on Other Legal and Regulatory Requirements

In our opinion:

- a) the fund-raising appeals listed below conducted by the Association during the financial year, have been carried out in accordance with the Charities Act (Cap 37) and Income Tax Act (Cap 134) and proper accounting and other records have been kept of the fund-raising appeals:-

<u>Name of fund-raising project</u>	<u>Period of fund-raising</u>
Job Week	13 March 2010 to 19 March 2010
Donation Draw	22 May 2010 to 3 September 2010

- b) the accounting and other records required by the regulations enacted under the Charities Act (Cap 37) and Boy Scouts Association Act (Cap 26) to be kept by the Association have been properly kept in accordance with these regulations.
- c) nothing has come to our attention to cause us to believe that:
- (i) the funds were not used in accordance with the objects of the Association; and
 - (ii) the fund raising expenses have exceeded 30% of the total gross receipts from fund raising held during the periods as stated in paragraph (a) above.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. General information

The Association (Unique Entity No. S85CC0196D) was registered on 4 January 1912 under the powers granted by the Royal Charter issued under the hand of King George V and Boys Scout Association Act (Cap 26, Singapore Statutes, 1985 Revised edition).

The Association is registered as a Charity under the Charities Act (Cap 37) and has been granted an Institution of Public Character (IPC) status up to 30 August 2013 by its Sector Administrator, the Ministry of Education.

The objects of the Association are to develop good citizenship among young people by forming their character, training them in habits of observation, obedience and self-reliance, inculcating loyalty and thoughtfulness for others, teaching them services useful to the public and skills useful to themselves and promoting their physical, mental and spiritual development.

The Association is domiciled and registered in Singapore. The registered address and principal place of activities of the Association are situated at 1 Bishan Street 12, Singapore 579808.

2. Summary of significant accounting policies

2.1 Basis of accounting

The financial statements are prepared in accordance with the historical cost convention, except as disclosed in the accounting policies, and the provisions of Singapore Financial Reporting Standards (“FRS”).

The Association has not applied any new or revised FRS or interpretations that have been issued as of the date of statement of financial position but are not yet effective. The initial application of these standards and interpretations are not expected to have any material impact on the Association’s financial statements. The Association has not considered the impact of the accounting standards issued after the date of the statement of financial position.

2.2 Financial assets

Financial assets within the scope of FRS 39 (“FRS 39”) are classified as either financial assets at fair value through profit or loss, loans and receivables or available-for-sale financial assets, as appropriate. Financial assets are recognised on the statement of financial position when, and only when, the Association becomes a party to the contractual provisions of the financial instrument.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.2 Financial assets (continued)

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs. The Association determines the classification of its financial assets after initial recognition and, where allowed and appropriate, re-evaluates this designation at each financial year end.

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Such assets are carried at amortised cost using the effective interest method. Gains and losses are recognised in the statement of financial activities when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

2.3 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is calculated on the straight line method to write off the cost of the assets over their estimated useful lives. The estimated useful lives are as follows:

HQ building	Leasehold period of 30 years
Sarimbun Camp/Sands Training Institute	Leasehold period of 30 years
Furniture and fittings	5 years
Sundry equipment	5 years
Air-conditioners	5 years
Computers	3 years
Motor vehicles	5 years

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful lives and depreciation methods are reviewed at each financial year end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment. The effect of any changes in estimate is accounted for on a prospective basis.

On disposal of an item of equipment, the difference between the net disposal proceeds and its carrying amount is taken to the statement of financial activities.

Fully depreciated property, plant and equipment are retained in the financial statements until they are no longer in use.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.4 Intangible assets

Intangible assets comprising computer software, are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised from the date the assets are available for use. Amortisation is charged to the statement of financial activities using a straight-line method over the assets' useful lives of 3 years.

Fully amortised intangible assets are retained in the financial statements until they are no longer in use.

2.5 Inventories

Inventories comprising goods like uniforms, camping equipment and their related accessories, and souvenir items held for resale are stated at the lower of cost and net realisable value with cost being determined on a first-in, first-out basis. Net realisable value is the estimated selling price in the ordinary course of business, less applicable selling expenses.

2.6 Trade and other receivables

Trade and other receivables are accounted for as loans and receivables under FRS 39. They are recognised and carried at original invoiced amount, which represents their fair value on initial recognition, less allowance for any uncollectible amounts. Allowance for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written off when identified.

2.7 Impairment

(i) Impairment of non-financial assets

The carrying amounts of the Association's assets are reviewed at each date of the statement of financial position to determine whether there is any objective evidence that a financial asset is impaired. If such indication exists, the assets' recoverable amount is estimated. Where it is not possible to estimate the recoverable amount of an individual asset, the management estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present values using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.7 Impairment (continued)

(i) Impairment of non-financial assets (continued)

If the recoverable amount of an asset or cash-generating unit is estimated to be less than its carrying amount, the carrying amount of the asset or cash-generating unit is reduced to its recoverable amount. The impairment loss is recognised immediately in the statement of financial activities unless it reverses a previous revaluation, credited to funds, in which case it will be charged to funds.

Where an impairment loss subsequently reverses, the carrying amount of the asset or cash-generating unit is increased to the revised estimate of its recoverable amount. The increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in the statement of financial activities, unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

(ii) Impairment of financial assets

Assets carried at amortised cost

If there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account and the amount of the loss is recognised in the statement of financial activities.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. Any subsequent reversal of an impairment loss is recognised in the statement of financial activities, to the extent that the carrying value of the asset does not exceed its amortised cost at the reversal date.

2.8 Financial liabilities

Financial liabilities are recognised on the statement of financial position when the Association becomes a party to the contractual provisions of the financial instrument. Financial liabilities are recognised initially at their fair values, plus in the case of financial liabilities other than derivatives, directly attributable transaction costs. Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method, except for derivatives, which are measured at fair value.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.8 Financial liabilities (continued)

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

2.9 Trade and other payables

Trade and other payables are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Association and subsequently measured at amortised cost using the effective interest method. Trade payables are normally settled on 30 to 90 day terms.

2.10 Derecognition of financial assets and liabilities

(i) Financial assets

A loan or receivable is derecognised where the contractual rights to receive cash flows from the asset have expired which usually coincides with receipt of payments for the asset. On derecognition, the difference between the carrying amount and the sum of the consideration received is recognised in the statement of financial activities.

(ii) Financial liabilities

Financial liabilities are derecognised when the obligation under the liability is extinguished. Gains and losses are recognised in the statement of financial activities when the liabilities are derecognised as well as through the amortisation process.

2.11 Government grants

A government grant is recognised at its fair value where there is a reasonable assurance that the grant will be received and the Association will comply with all the attached conditions. Government grants relating to costs are deferred and recognised in the statement of financial activities over the period necessary to match them with the costs they are intended to compensate. Government grants relating to assets are recognised as deferred capital grants on the statement of financial position and are amortised to the statement of financial activities on a straight line basis over the expected useful life of the relevant assets.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.12 Funds

Funds of the Association comprise mainly the accumulated funds, the building fund and other funds designated for specific objectives (as further described in note 12 to the financial statements).

(i) Accumulated Funds

Accumulated funds are unrestricted and expendable at the discretion of the Scout Council in furtherance of the Association's objects.

(ii) Building Fund

Designated donations for the renovation/construction of the HQ building, Sarimbun Camp and Sands Training Institute are credited to the Building Fund account. The Building Fund account is amortised to the statement of financial activities to match the depreciation in respect of these buildings and camp.

2.13 Income

- (i) Donations, membership fees and other income are recognised on a cash basis.
- (ii) Interest income from bank deposits are accrued on a time proportion basis on the principal outstanding and at the applicable interest rate.
- (iii) Revenue from sale of goods in Scout Shop is measured at the fair value of the consideration received or receivable, net of returns and allowances. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable and the amount of revenue can be measured reliably.
- (iv) Rental income is recognised on the straight-line basis over the term of the lease.

2.14 Currency

(i) Functional currency

Items included in the financial statements of the Association are measured using the currency that best reflects the economic substance of the underlying events and circumstances relevant to the Association ("functional currency"). The financial statements of the Association are presented in Singapore dollars, which is also the functional currency of the Association.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.14 Currency (continued)

(ii) Foreign currency transaction

Transactions in foreign currencies are measured in the functional currency of the Association and are recorded on initial recognition at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the closing rate of exchange ruling at the date of the statement of financial position. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the date of the statement of financial position are recognised in the statement of financial activities.

2.15 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rentals payable under operating leases are charged to the statement of financial activities on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals, if any, arising under operating leases are recognised as an expense in the period in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

2.16 Employee benefits

As required by law, the Association makes contributions to the state pension scheme, the Central Provident Fund (“CPF”). CPF contributions are recognised as an expense in the same period as the employment that gives rise to the contributions.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

2. Summary of significant accounting policies (continued)

2.17 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and bank balances. Restricted deposits are excluded from cash and cash equivalents.

2.18 Related parties

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party when making financial or operational decisions. In considering each possible related party relationship, attention is paid to the substance of the relationship, not merely the legal form.

Related parties include the Association's members, key management personnel, associates and enterprises in which a substantial interest in the voting power is owned, directly or indirectly, by the Association's members or key management personnel.

Scout Guild Fund

The Scout Guild is an alumnus of scouts. The Scout Guild organises fund raising events on behalf of the Association.

The Scout Guild Fund is a designated fund of the Association that is set up from surplus of fund raising events organised by the Scout Guild and from donations by members of the Scout Guild. The Fund is used to finance activities, events or expenses of the Association as specified by the fund raising events or where not specified, for general scouting purposes.

Scout Groups Fund

The Scout Groups Fund is a designated fund of the Association that supports scouting activities of the scout groups registered with the Association. The Fund is set up using donations received that are designated for use by specific scout groups, the share of Donation Draw and Job Week proceeds that each scout group receives and other fund raising activities by the scout groups. As at 31 December 2010, there are 221 (2009 – 212) scout groups registered with the Association.

	2010 \$	2009 \$
\$50,000 - \$100,000	1	1
\$101,000 - \$150,000	1	1

There are no other related party transactions.

26. Significant accounting estimates and judgements

The preparation of financial statements, in conformity with FRSs, requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying amounts of assets and liabilities that are not readily apparent from other sources.

26.1 Judgements made in applying accounting policies

The following are the judgements made by management in the process of applying the Association's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

(i) Impairment of property, plant and equipment

The carrying values of property, plant and equipment are reviewed for impairment when there are indications of impairment. As at 31 December 2010, there is no indication of impairment and the carrying value of the Association's property, plant and equipment was S\$2,426,967 (2009 - S\$2,820,823).

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

26. Significant accounting estimates and judgements (continued)

26.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the date of the statement of financial position, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below :-

(i) Useful lives of property, plant and equipment

The cost of property, plant and equipment for the Association's activities is depreciated on a straight line basis over the useful lives of the property, plant and equipment. Management estimates the useful lives of these property, plant and equipment to within 3 to 30 years. These are common life expectancies applied in the industry. Changes in the expected levels of usage could impact the economic useful lives and the residual value of these assets and accordingly, future depreciation charges could be revised. The carrying values of the Association's property, plant and equipment are as disclosed in note 3.

(ii) Impairment of non-financial assets

The Association assesses whether there are any indicators of impairment for all non-financial assets at each reporting date. Non-financial assets are tested for impairment when there are indicators that the carrying amounts may not be recoverable. When value in use calculations are undertaken, management must estimate the expected future cash flows from the asset or cash-generating unit and choose a suitable discount rate in order to calculate the present value of those cash flows.

(iii) Impairment of loans and receivables

The Association assesses at each date of statement of financial position whether there is any objective evidence that a financial asset is impaired. To determine whether there is objective evidence of impairment, the Association considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments. Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Association's loans and receivables at the date of the statement of financial position is disclosed in notes 6 and 7.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

27. Financial instruments

27.1 Categories of financial instruments

The following sets out the financial instruments of the Association as at the date of the statement of financial position:-

	2010 \$	2009 \$
Financial assets		
Trade and other receivables	344,290	128,334
Cash and cash equivalents	4,725,644	4,454,434
	<u>5,069,934</u>	<u>4,582,768</u>
Financial liabilities		
Trade and other payables	<u>979,715</u>	<u>801,213</u>

27.2 Risk management policies

The main risks arising from the Association's financial instruments are credit risk, liquidity risk and price risk, primarily changes in foreign exchange rates and interest rates. However, the Association's activities expose it to minimal financial risks and the management monitors and controls its main risks in the following manner:

(i) Credit risk

Financial instruments contain an element of risk in that the counterparties may be unable to meet their obligations. The management minimises this risk by analysing the credibility of its debtors. In addition, it monitors the repayment terms of its debtors on a regular basis.

(ii) Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments.

In the management of liquidity risk, the Association monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Association's activities and mitigate the effects of fluctuation in cash flows. The Scout Council exercises prudent liquidity and cash flow risk management policies and aims at maintaining a high level of liquidity and cash flows at all times.

(iii) Foreign exchange risk

Foreign exchange risk is the risk to earnings and value of financial instruments caused by fluctuation in foreign exchange rates. As the Association's transactions are substantially carried out in Singapore dollars, its exposure to foreign exchange risk is minimal.

The Singapore Scout Association

Notes to the financial statements – 31 December 2010

27. Financial instruments (continued)

27.2 Risk management policies (continued)

(iii) Foreign exchange risk (continued)

Sensitivity analysis

Management has assessed that the exposure to changes in foreign exchange rates is minimal and hence the resulting impact on results of the Association is insignificant.

(iv) Interest rate risk

Interest rate risk relates primarily to the risk that the value of financial instruments will fluctuate as a result of changes to market interest rates. Surplus cash and cash equivalents are placed with established financial institutions at favorable interest rates and terms and conditions available to the Association. The Association's income and operating cash flows are substantially independent of changes in market interest rates. The Association's policy is to have no gearing.

Sensitivity analysis

Management has assessed that the exposure to changes in interest rates is minimal and hence the resulting impact on results of the Association is insignificant.

27.3 Fair values

The management is of the view that the fair values of the financial assets and liabilities as at the date of the statement of financial position approximate their carrying amounts as disclosed in the statement of financial position and in the notes to the financial statements.

28. Authorisation of financial statements

The financial statements of the Association for the financial year ended 31 December 2010 were authorised for issue in accordance with a resolution of the Scout Council on 25 May 2011.
